

Specification Sheet

BM1102

SUPATUF 300MM

N/A

FACE:

A matt white two side coated synthetic paper, with high tear resistance, where extreme durability is required. Ideal for horticultural tags and stick in plant tags. Other applications also include lumber tags, wristbands, luggage tags etc. Different to any other synthetic paper this material is resistant to moisture (water, grease, chemicals) and has excellent printability using all conventional print methods, including thermal transfer printing.
